

# ARAGON

Modern high definition POS Terminal in a sleek and elegant design

## Key points

### Slim high-definition display with minimal bezels

The modern design and the all glass front are accentuated by the 12 mm bezels and 33 mm thickness

### Compatible with different OS

It supports different operating systems: Windows® 10 IoT, Windows® 11 Pro and Linux

### Field upgradable

SSD easily upgradable to increase system specifications

### Fan-less and quiet

Highly ergonomic, thanks to the slim design, and fan-less for quiet operations

### Kiosk or wall mounted

Aragon can be attached to any VESA fixture in either landscape or portrait position

## Markets

Retail  
Hospitality  
Entertainment  
Gaming, Lottery & Betting

Aragon is a Windows® Pos/PC with a 16/9 wide monitor, ensuring **better visibility in the modern sales applications**. A POS Terminal for the future with a **range of processors for any task**. The device boosts an **essential and slim design** with futureproof full HD touch display and a full glass front.
